Spices

PRODUCT OVERVIEW

Spices new range is the evolution of the Concert Ultra range for promotional cabinets. It is mainly used in Supermarkets and Hypermarkets to display offers and discounted products, but also in proximity stores and patrol stations where space is limited and Retailers need to optimize the productivity per square meter. Renewed range in terms of performance, aesthetics, display area, available lengths, internal volume and connectivity.

Performance 3M1 for Open cabinets and 3M0 for Closed cabinets

More modern design with new front grid and new end serigraphy pattern

Increased Display Area for a better visibility

New available L2500 for Open and Closed Compact cabinets

Increased internal Volume to maximize number of products displayed

Basement height reduction to increase facing area

Black is the new standard color for internal/external metal sheets

Maintenance free condenser (for Closed cabinets and SV)

Panoramic triple glass ends

Canopy lighting as standard and shelves lighting on demand

Visible controller and easily accessible to modify set-up

Connectivity with LINEON on demand
